Thank you very much. That very same thing is what I tell myself and Becca

“ Wednesday Elvira was my sweet, beautiful, baby girl. There's not one single day that goes by that my heart doesn't ache just to even year her bark or her little nails scampering across the floor or to see her wag her curly little pig tail. It never mattered where I was, as long as she was with me, I was home. I long for the day we'll be reunited and I can hold my baby and give her kisses and have staring contests with her again.

“ Wednesday Elvira bradley was my beautiful, weird little girl. It didn't ever matter where I was, I was at home as long as she was with me. I miss my baby so badly and I long for the day I'll be reunited with her and be able to hold her again.
