“ Hey Wiki, we sure do miss you. I am so sorry I pushed you the last few walks, I didn't realize that you couldn't help it. I hope you forgive me. Love you.

“ Wiki had a quiet way of getting into your heart before you even knew it. It wasn't until we lost him that we realized how attached to him we had become---and him to us. Especially Joanne, who had a special connection with Wiki. She felt that God had given him to her for a reason, and she was so happy to love on that dog. We will miss you, Wiki. At least you have plenty of water now! Take care of Wak-Wak.

“ I sure do miss you, we loved you and it hurt us so much we couldn't live with you anymore. I know in your heart you loved our boys and we loved you. I am so happy that you were given a wonderful life with my brother and parents. I will be so happy to be reunited with you some day, we will miss you until then...
