“ Zero... He was our wild man and eventually our grumpy old man but we loved him so so much. He was the first fur baby we got as a family and we have so many special memories of his crazy hair, endless pursuit of tennis balls, and silly sweaters after his hair cuts. Most of all we will always remember how much he loved us. Saying goodbye to him today was one of the hardest things we have ever had to do but I think it's safe to say he taught all four us a lot in the 12 years we had with him. We love you, Zero! We'll be looking for you at the Rainbow Bridge one day! Hoping you are chasing ALL the tennis balls in the meantime!
