August 7, 2020

I Loved my precious Zoey..

My little Piggy Nose..

I miss her happy dance in the morning going out with her sister. I miss so much..

her meal time she would come behind me and purr like a cat..lol..

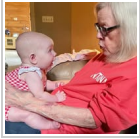

I would say your not a kitty cat.

She had a bed but, wanted to sleep by my bed beside me..

I'm missing her so much..Breaks my heart!!

But, she's not suffering any more..RIP my precious girl I Love you Piggy nose!!
