“ What can I say about the goofy, nutty ZZoe?

A dog always happy and full of energy who without a doubt LOVED her daddy! ❤️💔

I'm really going to miss her big ole sloppy kisses I got when she'd see me again. I'll miss our hide and seek games. Such a silly girl. She didn't realize she wasn't a lap pup but I didn't mind her snuggles.

Zooney, my sweet girl, your granny is sure going to miss you. Rest In Paradise 💜

Hugs to my boy, Ryan, Leslie, Kinzie, and AllieRae. My heart aches for you all. Love you, Mom
